

Visa Account Updater Notice of Right to Opt Out

Your UniBank Debit Card will be automatically enrolled in the free Visa@ Account Updater (VAU) service. With VAU, your account files will be updated when information changes because of a product upgrade, card expiration, loss or theft, account closure or other changes. A participating merchant can access that updated card information before requesting a payment. Since not all merchants participate, you should also contact the merchants directly if your card information changes. You are entitled to opt out of this service. You may opt out at any time. If you opt out, you may opt back in if you decide you want the Visa Account Updater Service in the future. You may opt in/opt out by phone at 800-578-4270.
